

## Our Speaker

---

Jonathan Lear is an award winning teacher, education consultant and author of *Guerrilla Teaching*. Described as having a breathtaking understanding of how to engage even the hardest to reach of children, Jonathan has established a reputation for delivering inspiring and creative inset both in the U.K. and internationally. He has worked for many years on a compelling mix of inspirational teaching strategies that lead to incredible outcomes across the curriculum and has shared his passion for learning through his role as an Advanced Skills Teacher, Lead Teacher for Sheffield Local Authority, Deputy Head, and associate of Ian Gilbert's Independent Thinking company. Jonathan is passionate about creating learning opportunities that are designed not just to impart knowledge, but also, and more importantly, to make children think.

*'Jonathan is absolutely phenomenal, simply the best speaker I have ever heard in my career. Mind blowing!'*
